RE: Virtual Committee meeting minutes June 11,2020

---

Members present: Mike Denzer, Allison Streeter and Gary McDonald

Meeting called to order at noon via conference call.

- Gary McDonald shared the Advisory Regarding Local Licensing Authorities Approval of Outdoor Seating from Ryan Melville Deputy Executive Director of Massachusetts ABCC.
- Donald Foster of The Old Mill was requested to serve outside planned to commence the week of June 15.
- Gary McDonald spoke of the proposal to consider ALL business who currently have an On Premises license to be able to serve outside. Mike Denzer said (Tracy?) the owner of the Angler asked for outside approval to serve alcohol. The area in question (side of the building) does not seem appropriate for public safety.
- It was discussed the license owners have the area approved by the LLC, Public Safety and the BOH before serving outside commences. The Committee voted 3-0 to approve outdoor seating to include alcohol only with approval of the proposed site from the LLC, BOH and Public Safety.
